

Compensation references

To our knowledge, there is no publicly available standardized chart for compensation of cultural expertise. However, it is important to consult the community where we operate to determine the procedures.

Here are a few useful links regarding fees in certain fields of expertise:

Price list in the field of visual arts

This site provides guidelines for pricing in the field of the arts. The rates are produced by the Canadian Artists Representation/Le Front des artistes canadiens (CARFAC) and the Regroupement des artistes en arts visuels du Québec (RAAV).

carfac-raav.ca

Tools for managing and pricing in the field of illustration

Illustration Québec offers useful tools to calculate the rates to be paid for an illustration, as well as several tools to help illustrators with accounting, copyright, contracts, pricing and promoting their art.
